

Conference and Banqueting at the Cutty Sark Hotel

We believe The Cutty Sark Hotel has the largest (air conditioned) Conference Hall outside Harare. We offer a 'menu' of different styles of lay-out to suit your need in a range of available rooms. For your convenience, please find below a range of sample room lay-outs , from the conventional THEATRE STYLE (up to 200 seated), to the celebrated PARTY STYLE (up to 100 seated). We can also cater for an exclusive meeting of 5-10 in our Private Boardroom and provide 'break-out rooms' to suit your Conference.

The gardens of the Hotel and raised lawns on the Lake Shore, are ideal for product launches and team building exercises (if you don't mind our resident Zebras!) Outdoor activities can be arranged upon request.

Please visit our website www.cuttysarkhotel.com for more information.

The Conference Hall has the added benefit of a raised stage and features a PA system and can cater for the latest Visual Conferencing Facilities. With ample parking for all your delegates and with our accommodation and Cuisine to match with a fully licenced Bar, the Cutty Sark Hotel is the obvious venue to impress your stakeholders and guests.
